The sample forms of the Debenture and Stock certificate proposed to be issued to the public by the Mysore District Board in connection with the loan floated by them are in order subject to the following remarks:-

(1) A small seal of the "Government of Mysore" may be used at the top as shown at "A" as is used in the case of all other Debentures of other District Boards instead of the big seal as shown in the green pencil in the body of the Debenture, which is used in the case of our State Loan Bonds.

(2) The question of the levy of incometax or otherwise on Debentures floated by the District Boards and Municipalities from 1-7-1937 has to be settled by Government and a mention to this effect has to be made both in the Debenture and Stock Certificate forms.

The bonds have however to be signed not only by the President of the Dt Bd but also by two other members of the Bd + sealed with the Common seal of the Bd, if the value exceeds Rs 500. In other cases, signature of the President alone may be sufficient. (Vide sec 36 of Bd Regns).

12 As exemption from Income-tax has been allowed only till 30th June 1937, no mention need be made about Income tax in the Bond (either free of Incometax or subject to Incometax).

Reference is invited to para 12 of the notes. It is not desirable to insert in the bond that "the interest will be free of income-tax up to a particular period etc" as suggested. Only information of a permanent kind is appropriately to be entered in it. I would therefore state that nothing need be mentioned in the bond about income-tax (either free of income-tax or subject to income-tax). This arrangement was, I believe, followed in respect of bonds issued previously by Local Bodies. Omission

NOTE—Contn. Sheet.

to mention this in the bond does not affect the right to exemption conferred by the Government order which is mentioned in the Loan Prospectus.
